

The Chart

January 2014

Advisors,

Happy New Year!

We are absolutely excited to see and take part in all of the amazing opportunities that 2014 has in store for Arizona HOSA members and advisors. Last year was one to remember with all of its spectacular events and connections. The state officer team and I cannot believe that we are beginning online testing for the event we have so long waited for, Spring Leadership Conference. We know that our Arizona HOSA members are working hard to put forth their very best on testing days to continue on to the skills portion and further stages of their competition.

As a reminder, if you have yet to have a chapter visit by one of the state officers there is still is time. The state officers would be absolutely happy to discuss various topics that relate to competitions, running for state office, or even to share their personal HOSA journey. Chapter visits during this month can be the most useful to help the members decided on competitions or even serve as an encouragement to run for office.

On that note, advisors, please encourage your students to run for office. There are truly no words to explain the various opportunities that come from being a state officer. That application is now available online and can be located by your students at azhosa.org.

Once again thank you for such an amazing year! We cannot wait to hear and see the amazing work that Arizona HOSA will be doing to go above and beyond.

Sincerely,

Katherine Urrutia
AzHOSA State President
