

# The Chart

August 2013

Welcome new and returning advisors!

The new school year has either begun or is about to start and Arizona HOSA hopes that this 2013-2014 school year is filled with many exciting events and opportunities. With a new school year comes a new HOSA year and we are all very excited. We want to make sure that your students as well as you are ready. Due to this, I remind you of all the great resources that Arizona HOSA has to offer: the State Officer Team, State Advisor, Mrs. Jane Shovlin, and Past State Officers that are willing to help to make your HOSA year one to remember.

As the year is beginning make sure to schedule a chapter visit at your school, where the State Officers have been trained and are ready to give you and your class a presentation filled with amazing HOSA information. Ranging anywhere from competitive events, the National Service Project, or how they themselves can become a State Officer, chapter visits are a great way to get your class more involved.

Also remember to complete your chapter paperwork before October 3, 2013. You can find these forms on [www.azhosa.org](http://www.azhosa.org) and click on the Membership tab. All the events for the year are listed under the Events tab.

We are anxious to meet the members that make our organization so great and hope to interact with them educating and encouraging them to make their mark in the health care field.

**Important dates to remember:**

September 12-14 Chapter Officer Leadership Camp

November 8 FLEX Conference

January 2014 Online Testing

As always, feel free to contact any of the State Officers with your concerns and questions. Wishing you a great HOSA year!

Katherine Urrutia  
2013-2014 AzHOSA President
