

The Chart

November 2013

Hello Advisors!

As you all know, our Fall Leadership FLEX Conference took place earlier this week, and it was a great success as we worked with Arizona FBLA! The State Officer team was so excited to see over 3,400 HOSA and FBLA members come together at the largest CTSO conference in the state!

It was truly one to remember! We were proud to offer sessions that included SIMS labs, personal growth, running for state office, leadership and so much more. We look forward to seeing all of you next year as we increase our attendance for an even larger conference. Once again thank you to all the advisors for your hard work and dedication that allows your students to attend conferences such as this.

We encourage you to continue your efforts to support our National Service Project, the Cystic Fibrosis Foundation as we try to maintain our title as one of the top fundraiser states. This is possible through the hard work that you and your students do in the events they conduct to raise these funds.

Also, remember that registration for Online Testing opens the first week of December. The testing week is January 13-17, 2014. This is a great time to get your students excited and interested in the competition they wish to compete in at the Spring Leadership Conference and hopefully the National Leadership Conference.

Happy Thanksgiving!
Katherine Urrutia
2013-2014 AzHOSA President
