November, 2011

Hello Advisors,

Happy HOSA week!

National HOSA week is this week, but have no fear if you realized that you missed it. You can declare any week this year HOSA week at your school. There are so many things you can do to help get the word out about HOSA and celebrate all it has done for you, your members, and your school during HOSA week!

It is a great time to plan activities such as JDRF fundraisers, awareness days, and award members for their contributions. What is your HOSA chapter doing? Have your members add us on Facebook if they aren't already our friend (Arizona Hosa) and post what your chapter has planned for the week. Collaboration can go a long way and you may get some good ideas for next year!

Also remember to sign your students up for membership.....online testing registration opens next month!

Have a great month!

Kayla Loomis

Arizona HOSA President
