

The Chart

October, 2011

Hello Advisors,

I hope you all have registered your HOSA members for our Fall Leadership Extravaganza. If not, remember that the deadline to register is

October 11, and it is fast approaching!

This conference is definitely not something you want to miss. There are going to be great breakout sessions and your students are sure to make great memories.

Also don't forget to sign up for the social event after the conference-HOSA and FBLA have Castles and Coasters all to ourselves for the night! The social afterwards is a great way for members to process conference information and have even more fun after an amazing conference. I know I will be getting on the roller coasters and I hope to see you there as well! chapter,

As always, remember state officers are always available to visit your HOSA chapter just contact the state advisor, Jane Shovlin at azhosa@aol.com, and we will be more than happy to visit your school!

Happy Fall,
Kayla Loomis
AzHOSA State President
