Required digital upload documents

☐ Include a title slide with event name, team names, division, chapter number, school and Arizona as your chartered association; one slide with the board photo; and references.

☐ Use up to 2 slides each for career overview, job responsibilities, education, entry-level pay at local/national/global levels, benefits and challenges, other career information, and display design. Maximum: 16 slides, plus references.

☐ Have the outline available at RLC. Upload for SLC and upload again for ILC; previous submissions do not carry forward. Check that the correct PDF opens before the deadline.

Missed SLC upload: You may still present, but receive 0 for the outline component (Sections A and B). Missed ILC upload: You will not receive a presentation appointment.

Prepare your team and display

☐ Choose one health career. Create your own work and follow copyright rules. Use the official rubric to check your outline, display and presentation.

☐ Use a freestanding foam or corrugated cardboard tri-fold board no larger than 36 inches high × 48 inches wide. Label the back with event name, team names, division, chapter number, school and Arizona.

☐ Keep the entire exhibit, including every prop, within 36 inches high × 48 inches wide × 24 inches deep. Measure height from the tabletop. Nothing may hang over the table edge.

☐ Keep the display free of computers, electronics, batteries, solar power and electricity. Do not use flames, body fluids, living organisms, sharps or dangerous equipment. No invasive procedures or skin punctures.

☐ Practice a presentation of no more than 5 minutes. Both teammates must participate. Explain why you chose the career, what you learned, and what your display shows. A 1-minute warning is given.

☐ Optional paper or electronic notecards may be used for the presentation only; do not show them to judges. Electronic notes do not permit electronics in the display.

Bring to regionals and state

☐ Photo ID for each teammate; two nonmechanical #2 pencils; your completed display and all needed display materials; and optional presentation notecards.

☐ Your display board outline, ready to provide when requested at RLC. Confirm your SLC upload is complete before arriving.

☐ Official HOSA uniform or proper business attire. Both teammates should be properly dressed. For ILC, also check the current official supply list and dress rules.

What to do at regionals and state

☐ Check in with the Event Manager and show each teammate's photo ID. Wait for staff to start the 15-minute setup period. Staff will measure the display.

☐ Present at your assigned time. Judges visit displays in the same room where they are set up. All teams at RLC and SLC present.

☐ At SLC, attend the scheduled required display time in professional attire. Missing this time results in a 15-point deduction from your final score.

☐ Take your display and materials after your presentation, as directed. At RLC, items left after the event may be discarded. Complete the event survey and leave the competition area.

How to advance to nationals

RLC to SLC: Earn at least 70% after all event scores and penalties are combined, and rank among the qualifying top scores. Your advisor receives advancement notification from the State Advisor.

SLC to ILC: The same 70% minimum applies. The top 5 qualifying teams are recognized; the top 3 advance. Fourth and fifth place may serve as substitutes.

At ILC: See the official HOSA event guidelines for the full competition process.
