

Arizona HOSA Regional Flag Design Contest!

Chapters, once again, have the opportunity to design a flag that represents their region to be used at the Opening and Recognition Sessions of this year's SLC!

Guidelines:

- Your flag should represent what makes your region special and unique
- Your flag design must be submitted on a single sheet of 8.5 x 11 paper, uploaded as a pdf
- Your design should include the region number on it displayed prominently
- Your design should include all of the colors that you want on the final flag (remember the official HOSA colors are maroon, navy, and white!)
- Consider both the National and State themes for this year! (They don't need to be stated directly, but they might help play into your design!)
- If you want the official HOSA logo on your flag in any particular spot, indicate that with a box titled "AZ HOSA Logo" and we will include the official logo file
- Remember that these will be printed on fabric, so nothing 3-dimensional should be included.
- Consider the sizes of any words you include, as you'll want to be able to see it from the audience during general sessions at SLC.

Submitting your design:

- Your design should be scanned or saved as a pdf in full color, and uploaded to the link on the Competitions page of our Arizona HOSA Website.
- Each chapter is allowed a maximum of 2 submissions per chapter
- Designs must be submitted no later than 11:45pm on February 12th, 2024
- Late designs will not be considered.

Submitted designs will be reviewed by various members of the State Executive Council, AzHOSA Staff, AzHOSA Board of Directors members, as well as ADE staff to determine the winning design in each region.

The winning design from each region will be turned into a full size flag and showcased by the designing team at this year's SLC! Good Luck!!!
