Arizona HOSA

ABOUT US

Who We Are

Arizona HOSA is a student-led organization that works to create quality, compassionate health professionals. Our mission is to empower HOSA-Future Health Professionals to become leaders in the global health community, through education, collaboration, and experience.

Reasons to Partner with us

HOSA is 100% Health

As a Career & Technical Student Organization, or CTSO, our members are already enrolled in programs designed to prepare them with the technical and professional skills needed to be successful in the healthcare industry. Over 90% of our members graduate from their programs already having earned at least one industry-specific credential. We work to create the future leaders of your companies and businesses. By partnering, you have the opportunity to reach them first!

Our Reach

AzHOSA has been proud to serve over 13,500 students across the state. Service to members includes our scholarship program, conferences, and leadership development.

Our conference attendance can range from 200 students to 3,500 students in both high school and college.

We serve students enrolled in roughly 20 different Health Science focused courses, ranging from Biotechnology, to Nursing, to Veterinary Medicine.

Leadership Development

Yes, students are developing the technical skills in their classrooms. But Arizona HOSA Members also have the opportunity to develop their leadership skills through leading their chapters, running for Regional and State Office, and by attending or competing at conferences. These events reinforce those traits of successful and contributing employees. This allows students to be ready to join your workplace as soon as possible.

PARTNERSHIP OPPORTUNITIES

Types of Partnerships Available

- **Organizational “Premiere” Partnership**

Member(s) of the company/organization have a direct, all-encompassing partnership, with regular communication, participation on our AzHOSA-100 Advisory Council, and includes an exhibitor table at any/all major HOSA conferences.

- **Conference Sponsorship**

Member(s) of the company/organization attend a conference in a predetermined combination of workshop presenter and/or standard exhibitor.

- **Scholarship Contributor**

Company/Organization provides a monetary contribution to our scholarship fund, and the scholarship is awarded to the HOSA member on behalf of the organization.

- **Competitive Event Partner/Sponsor**

Member(s) of the company/organization are involved in a specific competitive event relevant to them. This may include providing judges, giving HOSA feedback about the event guidelines, and/or providing a monetary donation that would cover HOSA member expenses competing in that event at the International level.

PARTNERSHIP DETAILS

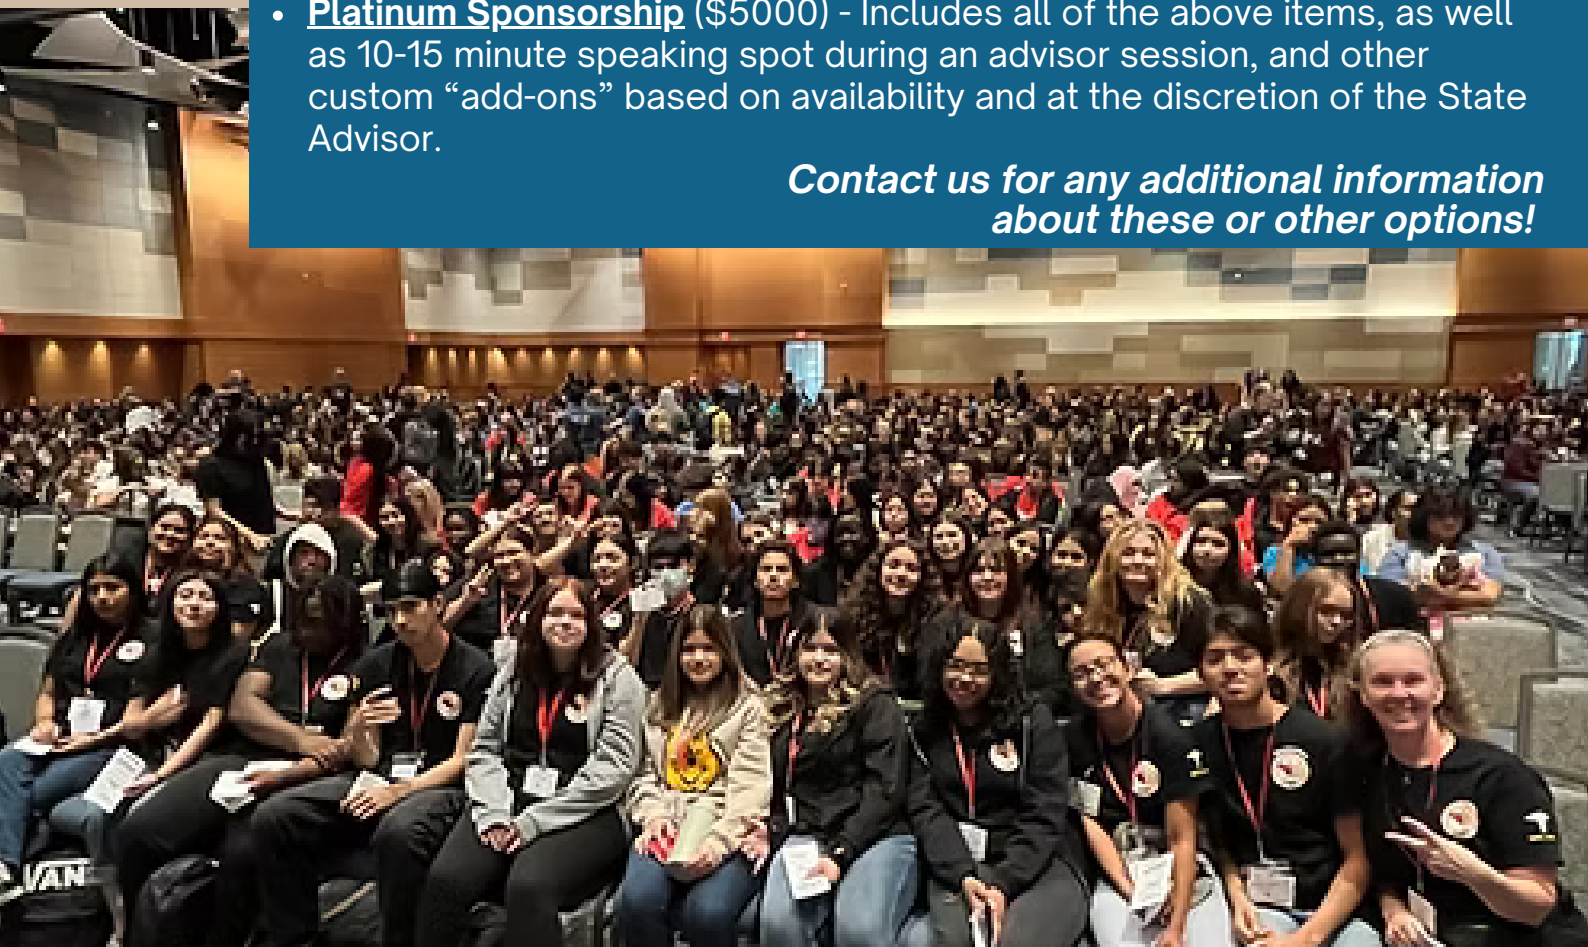

Partnerships *YOUR* way

Arizona HOSA places the highest value on a strong partnership between us and your organization, with the focus remaining on how we can best prepare our members, and support the needs of the healthcare field at the same time. While we do offer some “standard options” (below), we can build a partnership that fits the needs or wants of your company/organization in a way that makes the most sense for you!

Standard Options (for Conference Sponsorships)

- **Bronze Sponsorship** (\$500) - Includes an exhibitor table, and organization logo in our conference program or mobile app.
- **Silver Sponsorship** (\$1000) - Includes an exhibitor table, and organization logo in our conference program or mobile app, as well as in our Opening Session slides.
- **Gold Sponsorship** (\$2500) - Includes exhibitor table, logo in the program or app and in our Opening Session slides, handouts from your organization included in chapter registration packets.
- **Platinum Sponsorship** (\$5000) - Includes all of the above items, as well as 10-15 minute speaking spot during an advisor session, and other custom “add-ons” based on availability and at the discretion of the State Advisor.

***Contact us for any additional information
about these or other options!***

Arizona HOSA

THANK YOU SO MUCH

By partnering/sponsoring Arizona HOSA, you will be impacting the future of Arizona HOSA and tomorrow's healthcare workforce. We know that our students are excited to connect with you and to gain the insights and advice that are available through partnerships and sponsorships.

With your contribution to one of these conferences and to Arizona HOSA, you are helping to create opportunities for our over 13,000 members in the state. Your contribution enables us to make the largest impact on our students from across the state through our programming, workshops, and competitive events program.

We look forward to hearing from you and working with your organization!
