Frequently Asked Questions

1. Can I bring more than one pencil to the event? Yes, you may bring as many as you think you will need. It is NOT recommended to bring mechanical pencils as they tend to not be very dark.
2. I arrived a few minutes late. Can I still start? Yes, the format of the testing room is considered to be a "rolling start". Check in for the event will start promptly at the posted time and competitors will start the test once they are seated.
3. I do not need the full 60 minutes - do I have to sit there and wait for the time to end? No, once you are finished with the exam you may return it to the event staff and leave the testing area.
4. I missed my online testing session and never made it up - will I still be able to compete at the State Leadership Conference? No; unfortunately due to the number of competitors in this event, competitors without an online testing score will not be advanced to the state leadership conference.
5. Will my score from online testing be combined with the score from the state leadership competition? No; each round is judged/scored independently.
