

2026 Fall Leadership Conference Call for Presenters!

Arizona HOSA invites you and your organization to present workshops at our largest conference of the year! Ideal sessions can range from getting into college, details of getting into your profession, or strategies to be a successful employee or great leader.

HOSA members are passionate about being Future Health Professionals and enjoy learning from engaging workshop presenters. Workshop presentations should pertain to one of the following subjects: college readiness, career exploration, leadership development, or community partnerships. Hands-on workshops are always highly encouraged but not required.

DECEMBER 1ST, 2026

Phoenix Convention Center

5 Session times available

Sessions are 45 minutes in length

First session begins at 10:45am,
and last session begins at 2:45pm
