

SYNAPSE

Good
bye

April
2021

Goodbye

IN THIS SYNAPSE THE
2020-2021 STATE
OFFICERS SAY THEIR
GOODBYES!

THANK YOU

AZHOSA!

MEMBERS

Hello members of Arizona HOSA! I am so thankful for all the opportunities and experiences you have provided for me when you believed in me enough to vote for me as the 2020-2021 Historian/Reporter. This year hasn't been easy with the pandemic, but I wouldn't change my experience. If I had the chance to relive it all again I would and I owe it all to you. I can't wait to see what everyone does this new year.

ADVISORS

Ms. Liz and Ms. Michala, thank you for such an amazing year. Your guidance was very helpful and inspirational. Ms. Liz thank you for everything you've done for me this year. Our 1:1 will sure be missed.

TEAM

For only meeting once I sure do love you guys! You guys were there for me every time I needed you guys, thank you! I will sure miss our team meetings and the times we would meet to practice a presentation. Please know I am grateful and will always be there for you guys.

**THANK
YOU
HOSA!**

TO ALL AZ HOSA MEMBERS...

Thank you for allowing me to have the opportunity of representing our grand organization this year. The state officer team could not have done it without you. This term has definitely been different, but we all made it work. All the memories and all of the wonderful students and advisors that I met will never be forgotten.

**REGION
2 VP
OUT!**

REGION 2 VP MAISY SALCIDO-LUGO

Goodbye AZ HOSA!

What a year it has been! For my last synapse article I'd like to briefly share my time as a state officer. I remember getting elected and being so excited, not at all prepared for what the world had in store. Even though this year was completely virtual, I still grew so much as a person and am so thankful for this opportunity. I am so grateful for every conference I attended, every chapter visit I got to do, and every friend I made! I'd also like to thank my team for always doing their best and working hard to make AZ HOSA an even better organization! I'll never forget this experience and I am so glad I got to share this year with all of you. Thank you for letting me be your Region 4 VP and with that, I'll see you around!

MY STATE OFFICER EXPERIENCE

HELLO ARIZONA HOSA!

Can you believe it is April already! This is the last synapse of the year and similar to every year the officers try to write a farewell and reflect on our experiences. I will be talking about my experience for the past year serving as your Post-Secondary/Collegiate Vice President. It has been an honor serving this organization for two years and I am so glad I had the opportunity to lead and meet the members of Arizona HOSA.

Although this past year has been completely different than what I expected it to be, it was still a unique experience. Working along with the rest of the state officers from day one to try and make the best of this year and accomplish as many things as we could while also accommodating for all the differences with everything moving to the virtual format.

Attending the first Virtual Leadership Conference and the first-ever Global Leadership Academy was also a unique experience because although everything was virtual that did not stop the love that HOSA members have for each other as we still participated in HOSA spirit week from home and shared our unique experiences through social media and tagged each other as we participated in different virtual challenges to ensure that we are still utilizing the benefit of meeting new people within this organization and connecting with others!

Overall, even though I wish things could have been different this year and I had the opportunity to meet members in person and connect with them more individually, I will forever be grateful for the experience and the memories that I shared through my time here. With that being said your Post-Secondary/Collegiate Vice President is signing off for the last time!

- Fatma Khalaf

GOODBYE ARIZONA HOSA

ON TO NEW BEGINNINGS

Charli Wilson

What a journey! Looking back at my experience as Arizona HOSA's Secretary, it was nothing like I would have imagined. I remember being super nervous on the day of interviews, literally shaking on my drive there. Little did I know that it would be the first and only time I would meet my fellow State Officers in-person. Although my time on the Arizona HOSA State Officer Team was all virtual, I will forever cherish it.

Through the many leadership conferences I attended, I have learned what my leadership style is and how I can use it to better relay my ideas and help my team.

Not only did I learn new leadership techniques, my confidence definitely boosted. Public speaking used to be something I dreaded, but being in this position, I got to attend many different conferences where I talked to other leaders throughout the country and got to attend virtual chapter visits where I got to interact with members of other chapters.

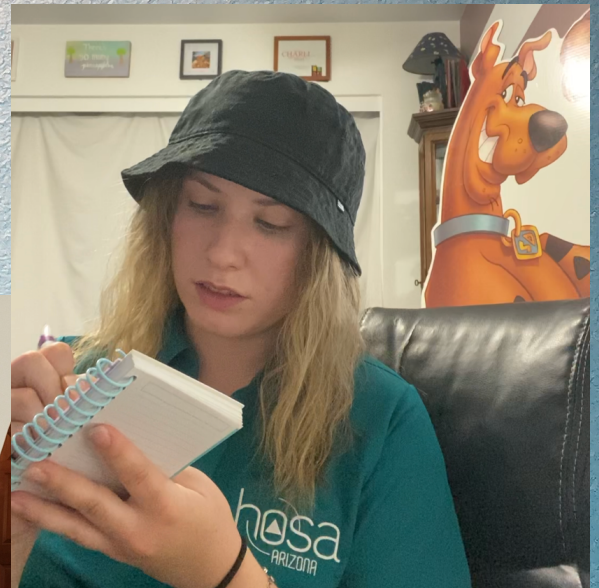

Both helped me get over my fear of public speaking.

Though those initial butterflies never really go away, I feel confident in myself and what I am saying. I also got to work alongside some amazing people that have taught me how to look at things from different perspectives that I would never have thought of on my own.

If I am being honest, I am not a very touchy-feely type of person, but I just wanted to say that I enjoyed every second of being a State Officer for Arizona HOSA, through both the tough and good times. I hope my Officer Team knows how grateful I am that I got to serve alongside them because they are all such amazing people and I cannot wait to see where they are headed next!

I am thankful I had this experience and hope that those who continue in this position find just as much satisfaction and joy.

SEE YOU NEXT TIME!
